

ONTARIO

Toronto is the most populous city in Canada and is also the capital of Ontario. Toronto is also the fourth most populous city in North America -- after Mexico City, New York City, and Los Angeles. Toronto is also one of the most multicultural cities in the world making Toronto a pretty special place for a driving Tour.

These drives were filmed by Tim Danter at DriveWise Oakville. Tim is familiar to Canadians as one of the expert drivers from the series *Canada's Worst Drivers (Les Pires Chauffards Canadiens)*. Notice how well Tim drives!

These drives take us through several of the 140 unique official neighborhoods that make up the city of Toronto. Our routes take us to a high school and college, along the expressway, and through downtown. Along the way we encounter wild cab drivers, oblivious pedestrians, and lots to look at and see.

Enjoy your Tour!
